

ALL VETERANS MEMORIAL

The *All Veterans Memorial* is a living memorial currently being constructed in Mount Olive, New Jersey and is symbolic of a state-wide effort towards embracing our American tradition. The distinguished Operation Iraqi Freedom bridged area will forever acknowledge and honor all New Jerseyans who gave their lives fighting the War Against Terrorism; including a unique once in a lifetime opportunity to memorialize generations of loved ones who proudly served in the US Armed Forces all in one place. The *All Veterans Memorial* will provide visitors a place to reflect, a regal ceremonial ground, an educational Presidential Preamble stage, a uniquely designed flag burning vault, and a new home for a historical Veterans Monument. Together, these elements denote the All Veterans Memorial as the first of its kind in the nation.
